

# MAKE THE DIFFERENCE

Discover. Inspire. Mentor.

Whenever I visit my student, other kids always ask, 'Can I have a YouthFriend, too?'

If more people knew how easy and fun mentoring is, then every kid might have a YouthFriend!

—YouthFriends Volunteer

**One by one. Group by group. Company by company.**

The majority of YouthFriends are recruited by someone they know... a friend, an employer or a coworker. Invite someone to get involved today!

## **Make The Difference for kids in Greater Kansas City.**

Invite others to become YouthFriends volunteers today. **EVERYONE** can help make the difference.

### **Be a friend. Tell a friend. Even blog about it.**

**Why?** Because mentoring works. And the demand is growing. More kids are asking for YouthFriends. So are parents, teachers and school counselors. Thousands of Greater Kansas City students would benefit from the friendship and encouragement of a mentor like you. The bottom line is this: Greater Kansas City needs more YouthFriends.
